Dear Guy,

Thank you for your tremendous support at the All Whites farewell event on Monday 17th May. The event was a huge success for Life Flight, providing us with an opportunity to tell people about what we do in a way we have never done before. In addition the event raised well over \$15,000 for the Trust and we are still counting!

The team from Vision Media were a vital part of the evenings success. Their support throughout the lead up and on the night was incredible and were always a pleasure to work with. Please extend my thanks to Grant, Marc and Sam.

I can't thank you enough for all you did to make it a very special evening. Life Flight's services help over 1500 people and their families every year, often saving the life of a loved one. On behalf of all those who depend on these services, thank you.

Yours sincerely,

David Irving
Chief Executive
